TELEVES welcomes the communication of any information regarding incorrect or obsolete content via [ip-division@televes.com](mailto:ip-division@televes.com)

1. **SOFTWARE OWNERSHIP.** No title or ownership of the Software is transferred to the Licensee. Title to the Software, as well as all applicable industrial and intellectual property rights, including patents, copyrights, trade secrets and other intellectual or industrial property rights inherent to the Software, shall continue to belong to TELEVES or to third parties from whom TELEVES has obtained the respective right to license the Software. TELEVES reserves all rights to the Software not expressly granted under this Agreement. Third Party Software shall at all times remain the property of the relevant third party and shall be subject to the applicable third-party licence terms.

2. **LICENCE OF USE.** Hereby, TELEVES grants the User a non-exclusive and non-transferable licence, for his own use only, of the Software in executable format and the attached documentation of TELEVES and its licensors (collectively "Software"), in accordance with the number of users, type of hardware and terms and conditions of sale applicable to the Software acquired by the User.

3. **RESTRICTIONS.** The Software and accompanying documentation are confidential and copyrighted. Except as specifically authorized in any Additional Terms of the Licence, the User may not make copies of the Software, except for a single copy of the Software for archival purposes (backup copy). Unless otherwise provided by applicable law, the User may not modify, sublicense, disassemble, reverse engineer, decompile or otherwise alter the Software, or modify or remove alphanumeric or other identification codes on data carriers. Notwithstanding the foregoing, modifications of the proprietary Software for your own use and reverse engineering for debugging such modifications are permitted only to the extent that such Software components are linked to program libraries under the GNU Lesser General Public License (LGPL). Transmission to third parties of knowledge gained during reverse engineering or debugging or information gained from re-engineering or modified software is prohibited. This Agreement does not grant any right, title or benefit in or to any trademarks, service marks, logos or trade names of TELEVES or its licensors.

4. **SOFTWARE SECURITY AND PRIVACY.** TELEVES may integrate security mechanisms into the Software to control the use thereof in order to verify the User's compliance with these Licence Conditions. The Licensee grants TELEVES the additional right to use the data collected from said products for the purposes of optimising TELEVES products and services. All personal data that may be included in this data flow shall be processed in accordance with the data protection policy of TELEVES. The terms and conditions of this data protection policy can be consulted at: [www.televes.com/en/data-protection-policy-en](http://www.televes.com/en/data-protection-policy-en).

5. **THIRD PARTY AND OPEN SOURCE SOFTWARE.** The Software may include third party software, including open source software ("Third Party Software"). To the extent that Third Party Software is provided for which you have been granted only a derivative right of use, the license terms of such Third Party Software shall apply and prevail. If Open Source Software is provided, the licence terms of such Open Source Software shall apply in addition to, and prevail over, the licence terms of such Open Source Software, which shall prevail over the licence terms resulting from this Licence Agreement. The terms of any third party licences (if any) that apply to the Software are either: a) specified in the Product (or Service) Specific Terms; or, b) separately accompany the Software and are automatically presented for acceptance prior to the first use of such Software by an Authorised User; or c) specified in the Software's "read me" or "License" file or EULA. TELEVES and its licensors shall provide the licensee with the corresponding source code of the Open Source Software in question, upon receipt of a written request and upon payment of shipping costs, in the event that the terms of the license of the latter include the obligation to provide it. In the above case, any person may obtain the source code of the Open Source Software components on a data carrier, within three years of the distribution of the product by TELEVES or, at least, provided that TELEVES still offers support and spare parts for the product, by sending a request to the following address: - TELEVES, S.A.U. | IP Division | Rúa B, de Conxo 17 - 15706 Santiago de Compostela, Spain - " Source code TELEVES 531920" . The requesting licensee is obliged to pay the costs and expenses arising from the creation and delivery of the data carrier. All third-party software is provided "as is" and in its current condition. Any warranty, express or implied, in particular the warranty of market maturity or applicability for a specific purpose is excluded. All copyrights are identified in more detail in the source code of the Open Source software.

6. **LIMITED GUARANTEE.** Notwithstanding the provisions of other contractual terms and, if applicable, to the provisions of the General Law for the Defence of Consumers and Users in relation to the period within which the end consumer must report any possible lack of conformity, as well as the applicable consumer legislation, TELEVES guarantees to the User that for a period of ninety (90) calendar days from the date of purchase, verified by a copy of the invoice, the Software shall provide the fundamental characteristics and functions described in the documentation and shall be free of defects under normal conditions of use. In such case, at the option of TELEVES, it shall proceed to remedy or replace the defective Software or reimburse the licence fees paid for the defective Software returned by the User. The aforementioned guarantee is automatically excluded in the following cases: i) carrying out any modification or alteration of the Software without the express authorisation of TELEVES; ii) unreasonable and/or inconsistent or incompatible use with the documentation and instructions of TELEVES; iii) damage caused by computer or Internet viruses, bugs, worms, Trojans, malware or cancelbots; and, iv) damage caused by events qualified as constituting force majeure. Except in the cases specified above, TELEVES does not offer any guarantee beyond those explicitly stipulated in this Agreement.

Statements about products, functionality or services in any communication with the User constitute technical information only, not a warranty.

8. **LIMITATION OF LIABILITY.** To the extent permitted by applicable law, in no event shall TELEVES or its licensors assume any liability for personal injury, consequential or lost profits, loss of income, profits or data, business interruption, or for special, direct, indirect, consequential, incidental or punitive damages, regardless of the reason for such damages and the content of your liability, or which arise from or are related to the use of the Software or the inability to use it, including those for which they arise and the content of your liability, incidental or punitive damages, regardless of the reason for such damages and the content of your liability, or that arise from or are related to the use of the Software or the inability to use it, even in those cases in which TELEVES or its licensors have been advised of the possibility of suffering such damages. The total maximum amount liability of TELEVES, its affiliates, licensors and its representatives, for all claims and damages related in any way to this agreement, in the aggregate and regardless of the form of action, shall be limited to the total amount paid by the User for the licence of the Software that caused the damage or is subject to claim, as stipulated in this Agreement. The foregoing limitations shall apply even in cases where the foregoing warranty fails to its essential purpose.

9. **TERMINATION AND EARLY TERMINATION.** This Agreement is effective until terminated. The User may terminate this Agreement early at any time by destroying all copies of the Software. TELEVES may terminate this Agreement at any time and without prior notice, when the User has not complied with any of the provisions herein. Upon termination of the Agreement for any reason, the User shall cease using the licensed Software and shall destroy all copies of the Software installed, including the backup copy.

10. **GOVERNING LAW AND JURISDICTION.** This Agreement shall be governed by Spanish law, and the parties submit to the courts and tribunals of the city of Santiago de Compostela (A Coruña - Spain), expressly waiving any other jurisdiction that may correspond to them.

11. **SEVERABILITY.** If any provision of this Agreement is held to be invalid, illegal or unenforceable, this Agreement shall remain valid without such provision, and such provision shall be deemed to be restated to reflect the will of the parties as inferred from the remainder of the Agreement and proper usage in this type of Agreement, in accordance with applicable law and, in particular, the rules of substantive law which shall apply to integrate the unenforceable provision of the Agreement.

12. **INTEGRATION.** This Agreement constitutes the entire and complete agreement between the User and TELEVES in relation to the present matter. It supersedes all prior oral or written communications, proposals, representations and warranties and supersedes any conflicting or additional terms of any statement, order, acceptance, or other communication between the parties relating to this matter during the term of this Agreement. This Agreement may only be modified in writing by the signatures of the authorized representatives of the Parties. In the event of a conflict between this Agreement and an Order, the Order shall prevail with respect to the Products or Services ordered hereunder. The terms of any purchase order or similar document of the Customer or User are excluded and such terms shall not apply to the Order for Products or Services and shall not supplement or modify this Agreement.

13. **DATA PROTECTION.** The user expressly authorises TELEVES to include in its files and process all personal data provided for the execution of this End User Licence Agreement. This data shall remain in the files of TELEVES, and the user who is the owner of the personal data or his/her legal representative may exercise the rights of access, rectification, cancellation and opposition in accordance with current legislation, by means of written communication sent by e-mail to dpo@televescorporation.com, accompanied by a document accrediting the identity and, where applicable, of the representation of the user, providing the details necessary to process the request.

### TERMS AND CONDITIONS FOR USE, REPRODUCTION, AND DISTRIBUTION

#### 1. Definitions.

'License' shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

'Licensor' shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

'Legal Entity' shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition, 'control' means (i) the power, direct or indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

'You' (or 'Your') shall mean an individual or Legal Entity exercising permissions granted by this License.

'Source' form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

'Object' form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

'Work' shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in or attached to the work (an example is provided in the Appendix below).

'Derivative Works' shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

'Contribution' shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, 'submitted' means any form of electronic, verbal, or written communication sent to the Licensor or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, the Licensor for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by the copyright owner as 'Not a Contribution.'

## License Agreement & Third party Software Declaration

EULA05230003

''Contributor'' shall mean Licensor and any individual or Legal Entity on behalf of whom a Contribution has been received by Licensor and subsequently incorporated within the Work.

2. Grant of Copyright License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare Derivative Works of, publicly display, publicly perform, sublicense, and distribute the Work and such Derivative Works in Source or Object form.

3. Grant of Patent License. Subject to the terms and conditions of this License, each Contributor hereby grants to You a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by such Contributor that are necessarily infringed by their Contribution(s) alone or by combination of their Contribution(s) with the Work to which such Contribution(s) was submitted. If You institute patent litigation against any entity (including a cross-claim or counterclaim in a lawsuit) alleging that the Work or a Contribution incorporated within the Work constitutes direct or contributory patent infringement, then any patent licenses granted to You under this License for that Work shall terminate as of the date such litigation is filed.

4. Redistribution. You may reproduce and distribute copies of the Work or Derivative Works thereof in any medium, with or without modifications, and in Source or Object form, provided that You meet the following conditions:

You must give any other recipients of the Work or Derivative Works a copy of this License; and  
You must cause any modified files to carry prominent notices stating that You changed the files; and  
You must retain, in the Source form of any Derivative Works that You distribute, all copyright, patent, trademark, and attribution notices from the Source form of the Work, excluding those notices that do not pertain to any part of the Derivative Works; and  
If the Work includes a ''NOTICE'' text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions. Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an ''AS IS'' BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law (such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if You agree to indemnify, defend, and hold each Contributor harmless for any liability incurred by, or claims asserted against, such Contributor by reason of your accepting any such warranty or additional liability.

END OF TERMS AND CONDITIONS
