

CATV & DOCSIS 3.0 Meter/Analyzer

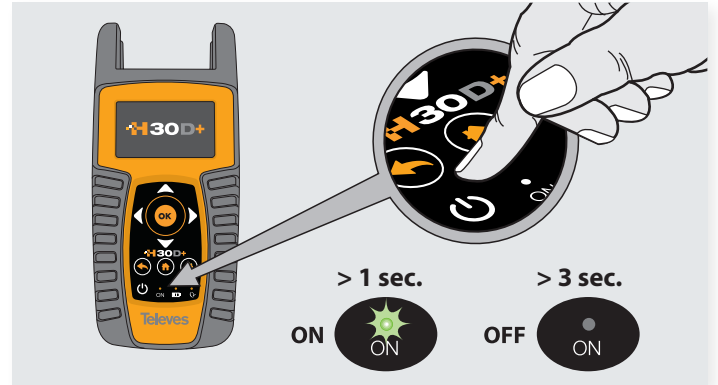

Ref. 593961

Quick Guide

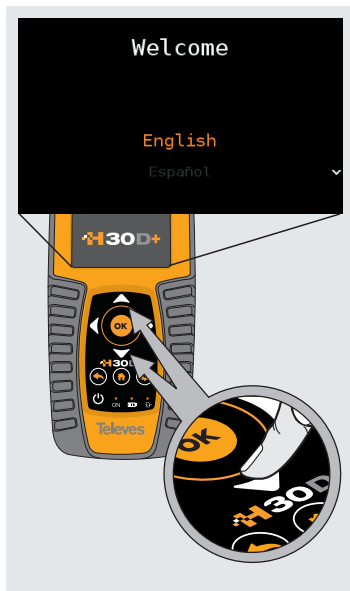

1. Load Battery

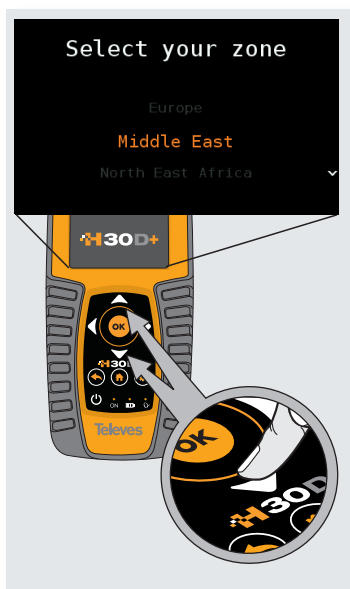

2. Power ON

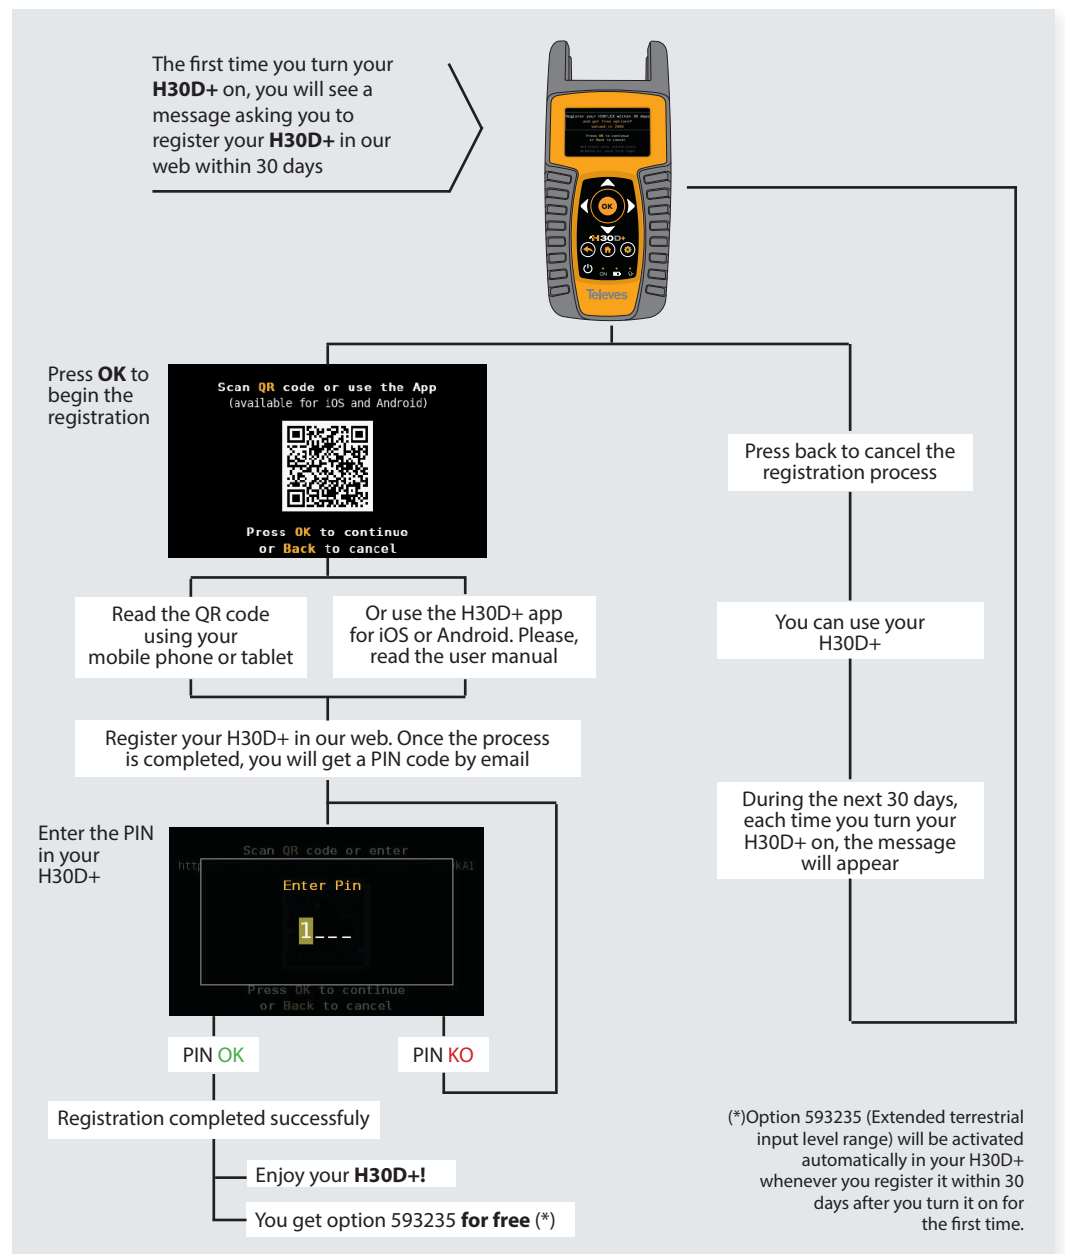

3. Select language

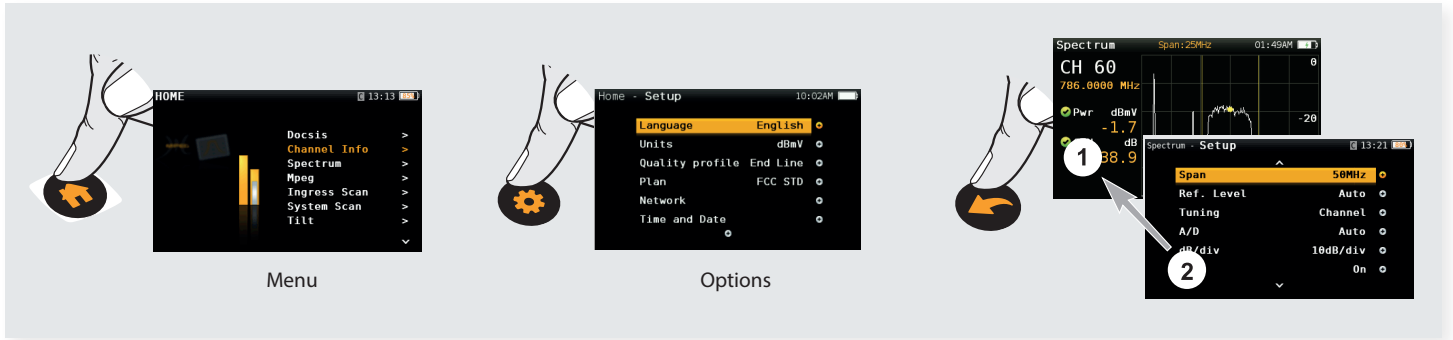

4. Select geographical area

5. Registration process

6. Buttons

Menu

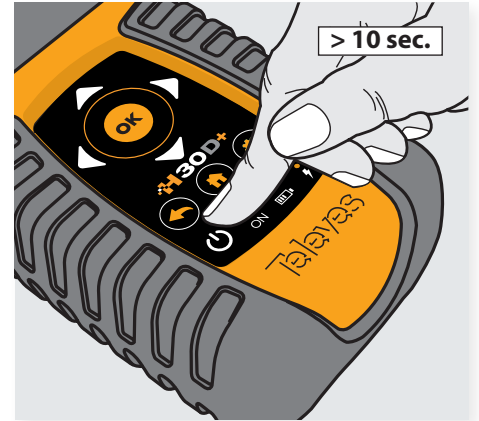

Options

7. F-connector options

Male-to-female adapter must be used on the DOCSIS input to protect the connector from wear caused by multiple insertions of coaxial cable.

8. Reset
