

Mast 3m x Ø 45 mm x 2mm thickness Zinc + Red colour

Steel mast with an outstanding resistance to corrosion, thanks to the double treatment consisting in galvanizing and red painting by oven-lacquering with electrostatic polyester powder. The design allows the assembly with other masts to make it longer. Screw-mounting.

Ref.	3075
EAN13	8424450030752

Other features

Colour	Red
