

20 V-1.2 A power supply For optical converter/RF

Power supply with Jack connector for the powering of an optical converter to RF.

Ref.	237050
Logical ref.	PSU24
EAN13	8424450184943

Packaging info

Box	1 pcs.
------------	--------

Physical data

Net weight	197.00 g
Gross weight	197.00 g
Width	49.00 mm
Height	100.00 mm
Depth	42.00 mm
Main product weight	170.00 g

Technical specifications : Ref. 237050

Plug type		EU / UK
Input voltage	Vac	100 ... 240
Mains frequency		50 Hz / 60 Hz
Output voltage	Vdc	20
Max. output current	A	1.2
Operating temperature	°C	-5 ... 45
Protection index		20
