Televes®

Nemesis V2 Arantia DS Player WiFi

Digital Signage Player with WiFi based on the Nemesis V2 Set-Top Box. Includes a 64 GB microSD memory card for storing the scheduled content through the Arantia DS management tool.

Within the functionalities of this high-definition decoder, the following can be found:

- Support for IPTV and Digital Signage

- Vertical or horizontal image orientation

- Autonomous operation and fail-safe mechanism in the Arantia DS system access network, allowing it to continue playing scheduled content

This device includes the first year of license access to the Arantia DS system for system configurations against the Televes cloud server.

Power supply with EU/UK/US plug included.

Ref.	831831
Logical ref.	ADS-NWV2
EAN13	8424450285947

Packaging info

Box	1 pcs.

Physical data

Net weight	191.00 g
Gross weight	257.00 g

Width	98.00 mm
Height	99.00 mm
Depth	22.00 mm
Main product weight	191.00 g
