

DIN Rail Adapter, for F Series Splitters/Taps

Adapter for installation on standard DIN rail of EasyF series splitters and taps, made of plastic with a black finish. Its fastening allows the device to come into contact with the DIN rail, so it is not necessary to connect to the ground using a specific cable.

Supplied in a professional plastic box of 30 units.

Ref.	519901
Logical ref.	DINSAF
EAN13	8424450273883
