

Technical specifications : Ref. 769132

##			4
CPU speed	GHz		2
RAM type			DDR3
RAM	GB		8
Number of HDD			2
HDD type			SSD
HDD capacity	GB		64
Number of Gigabit Ethernet ports (10/100/1000BaseT)			4
Number of USB ports			2
Display port			VGA
COM port			Serial console
Input voltage	Vac		100 ... 240
Operating temperature	°F		41 ... 113

* The equipment has an embedded power source and a connector that allows connecting an auxiliary power supply.
