

Technical specifications : Ref. 233210

Optical connector type 1			SC Duplex
Polishing type (Optical connector 1)			APC
Optical connector type 2			SC Duplex
Polishing type (Optical connector 2)			APC
Fiber type			Single-Mode
Ferrule			Ceramic
Protection cap			Auto-blocking cap
Insertion losses	dB		0.2
Return losses	dB		60
Durability (connection cycles)			1000
Housing material			Plastic
Color			Green
Fastening type			Click
Operating temperature	°F		-40 ... 158
