

Technical specifications : Ref. 2356

Optical connector type 1			FC
Polishing type (Optical connector 1)			PC
Optical connector type 2			SC
Polishing type (Optical connector 2)			PC
Fiber type			Single-Mode (SM)
Protection cap			Auto-blocking cap
Shutter type			External
Housing material			Steel
Color			Aluminum
Fastening type			Click
Operating temperature	°F		-40 ... 176
